Mom, what are you talking about?
I saw the news and comments about you on the Internet. It does piss me off!

Mom ...
How dare they call you idiot, loser, and even want you to get out of entertainment circle! Some even insult me!

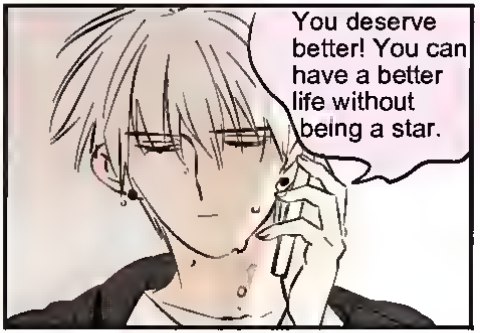
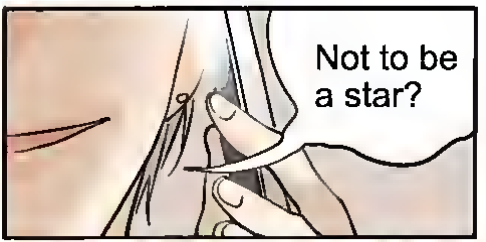
How could those media write down that kind of bullshit? Why do you need to suffer from their cussing when you didn't do anything wrong in the TV show?



You deserve better! You can have a better life without being a star.



Not to be a star?

You're right.
I will be okay if I quit now!
But, mom, did you see those who always support me?
Ethan Young, never give in!! We're always with you!!
Those who always say "Come on! Fight!"
"Trust you!"

I always support me no matter what criticism I receive.
Come on! You are the best!

Where there's doubt and criticism, there's trust and support. Don't give up!

They haven't given up on me yet...

How could I give up on myself?

Oh, I see! You mean your crazy fans, right?

Mom! What? Crazy fans?
I think you are my ultimate anti!
What.. Ultimate anti?
Aren't they called crazy fans on the Internet?!
Huh?
So I told you not to surf the net!
